Rules and Regulations Hearing

Dr. Zickafoose provided a summary of the proposed changes to the rules and regulations. Dr. Castaldo asked Ms. Singh if there are any additional checks and balances in place for rule and regulation changes. Ms. Singh stated there are none other than what the DAG's are tasked with.

COMMITTEE REPORTS

LLAM Committee

Ms. Walters reported several changes and additions to the quiz and final exam questions were approved. The committee agreed to allow non-FDA approved medications (specifically homeopathic medications) be given as long as there is a written prescription. This would include both over the counter medications and prescription strength medications. Entities can develop their own modules which need approval of the LLAM Committee and they can use many of the questions submitted in their entity-specific module.

Ms. Walters stated a request was received from the Division of Developmental Disabilities Services (DDDS), requesting the use of a trainer who is not a nurse to be paired with an LLAM trained RN instructor. The committee discussed this request and recommended the skilled DDDS trainer observe the LLAM trained RN instructor to provide feedback and coaching techniques but not be permitted to teach the class. The DDDS also requested a change to the rules regarding retake of LLAM after two errors. The committee denied this request. Instead they plan to look more at error reports.

PRESIDENT'S REPORT

Dr. Williams reported the New Jersey compact nursing license bill was carried with a final vote by the Assembly. New Jersey will become the 34th state to join the NLC. She stated the websites for the NCSBN and the NLC Advocacy provide additional information about the NLC and how it impacts licensure, particularly across state lines.

Dr. Williams provided an update from the Delaware Healthcare Association and reported recent discussions regarding DMMA's practitioner credentialing and reimbursement practices. She stated there are ongoing discussions regarding requirements for new APRNs versus long-time APRNs and encouraged everyone to report any issues that they may come across.

Dr. Williams informed the Board that the legislative session will end in about two weeks. She stated that Senate Bill 116 (Primary Care Reform Collaborative) is one that is specifically being reviewed for the provision of primary care across the state. She reported recent discussions to ensure APRN's are included in that legislation. She also announced a recent amendment to the bill that will allow an additional position on the Primary Care Reform Collaborative Committee to be appointed by the Delaware Nurses Association.

Dr. Williams gave a brief overview of the Delaware Nursing Leadership Summit held on May 15th. The Delaware Action Coalition has been restored. Their mission is to improve the current and future health of all Delawareans through a collaborative effort by an interdisciplinary team of nurses, health care providers, and community partners, positioning nurses as leaders in the transformation of health care in Delaware. She encouraged the students to check out the information at their website at campaignforaction.org

EXECUTIVE DIRECTOR'S REPORT

Dr. Zickafoose announced she has been appointed to the NLC Policy Committee. She provided a summary of her recent visit to CGFNS in Philadelphia. She mentioned that two members of the Maryland Board of Nursing were also in attendance. Dr. Schaffer, CEO of CGFNS, walked them through their credential process for foreign nursing students. She provided a brief summary of the differences in a CGFNS report and a CES report.

Dr. Zickafoose reported 19,098 renewal emails were sent out on June 11th for the September 2019 renewal. She encouraged all of the September renewals to renew early due to the implementation of the new licensure system (DELPROS), which will go live on October 7, 2019. She announced that several students from Delaware Technical Community College will be assisting with the User Acceptance Testing for DELPROS on June 24th.
